Grassfield Band Parent Association, Inc. (GFBPA, referred to herein as "we", "us", and "our") sponsors a RaiseRight program which allows you to purchase RaiseRight gift/shopping/eGift Digital cards. The RaiseRight cards you purchase through our program generate rebates from participating retailers. These rebates can be used as a credit to your band student's account, a gift to the band program, or a gift to another band student's account. Rebates credited to your band student's account are intended to help pay for your student's band participation fees, though all rebate funds are yours and will be paid to you as described below. All Rebates funds are held in a separate bank account for RaiseRight use only.

New participants may enroll at any time by completing enrollment forms, which include this form. Returning families who have participated in RaiseRight previously must renew annually to continue to participate in the RaiseRight program in the coming band year. **Senior student accounts will be closed on May 30<sup>th</sup> of their graduating year** unless a new RaiseRight rebate form (**this form**) is completed, designating a sibling, another band student, or GFBPA as the recipient of rebate funds. **All forms, whether a Returning student or Senior student must be returned to the GFBPA RaiseRight Coordinator by May 31<sup>st</sup> of each year. Failure to do so will deactivate your RaiseRight account and your Grizzly Dollars will be donated to the GFBPA.**

Note: Families of graduates may continue to participate in RaiseRight, but may **only** donate to the GFBPA or to another band student; rebates will not be refunded. If you choose to donate your rebate to the GFBPA, we will provide you with all required acknowledgements under sections 170(t)(8) and 170(t)(17) of the Internal Revenue Code.

Our RaiseRight program distributes the rebates to Grizzly Dollars monthly as you have selected above. Participants may request a check for the balance of funds in the student's Grizzly account annually, or upon special request (not more than quarterly.)

You agree to indemnify us against any loss incurred in connection with there being insufficient funds in your account to cover the checks or ACH transfers you issue to pay for your RaiseRight. We make no representations or warranties of any kind with respect to RaiseRight. This agreement continues unless replaced by another, and can be terminated by either of us upon 60 days advance notice to the other.

Please sign and date to indicate your acknowledgement of this agreement:
